SafeSolv
Technical Datasheet

Product Description

SafeSolv is an all-purpose citrus solvent (derived from the oils of orange peels) for removing tar, oil, hydraulic fluid, adhesives and gum. It offers a safe and effective alternative to toxic chemicals that is safe to use on paint, plastic, glass, bare metal, carpet and seats.

The bottle contains 0.5 US gallon.

Features:

Cleans effectively in a single pass. Suitable for exterior and interior use. Suitable for use on paint, plastic, glass, metal, most carpets and seats. Biodegradable – safe for users and the environment. Non-flammable. Hard water stable, cold water efficient. SafeSolv is supplied in a ‘Ready-to-Use’ formulation to allow for maximum convenience.

Commodity Code: 3402209000

SKU: FA-747G-32OZ
