# Paint Polish, Drywash Cleaners & Protectant Systems

Nuvite's high gloss polishes and cleaners for painted surfaces and gelcoats offer you the easiest and highest-performance surface maintenance and protection systems available. These products are de-

*Bonnie Johnson & Linda Pecote prepare for the 99's "Air Race Classic" with Nuvite NuShine II.*

signed to give you a "great look" on your aircraft, boat, recreational vehicle, truck,

auto or other vehicle anywhere, anytime easily, with no set up, and no mess! Nuvite's paint care products allow you the option of cleaning and polishing your vehicle without the time, facilities, setup and cleanup needed for standard wetwash cleaning. -Very important with large units such as airliners, RV's, trucks and boats! Nuvite's wipedown cleaners & debuggers and the cleaner/polishes can be used when facility, time or EPA restrictions may restrict other methods of upkeep maintenance.

*Easy, in-place wipe on/dry/fluff off polishing —a clean, high gloss surface with a U/V protected finish!*

Whether it be everyday cleaning & protection of new paint finishes or full paint surface restoration for deteriorated finishes, Nuvite has an easy and effective solution. Nuvite's over 50 years of experience and expertise offers professional-grade materials, for a fleet—or a personal vehicle.

## Cleaners

- **SS 9-3**  
A superb cleaner for hand wipedown & debugging. Use with a spray bottle & towels for no-mess, in-place wipedown cleaning of cars, trucks, boats & RV's.
- **CitriCut**  
Popular citrus-based cleaner & degreaser that can be used with a spray bottle at full strength for degreasing heavy grease and dirt, or as a hand wipedown cleaner at 1:10. Can also be used at 1:20 dilution as a wetwash.
- **Nu Image**  
The answer to debugging and cleaning highly polished metal without fogging the polished image.

## Cleaners/Polishes/UV Protectants

- **NuPol**  
Dull, oxidized paint gloss restorer that will bring old and deteriorating paint back to high gloss. Also ideal for tough cleaning jobs like exhaust and carbon staining. Leaves a beautiful shine and an effective U/V protective barrier.
- **NuPower II**  
Easy wipe on/let dry/wipe off paint and gelcoat polish -and surface cleaner! Leaves a great gloss and applies a U/V protectant while removing stubborn dirt and minor paint surface oxidation.
- **NuGlaze w/PFS**  
Super durable PolyFluoro Sealant glaze with high gloss & UV protectant for new paint or paint in excellent condition. Easy hand or machine application. More Info:
