Miller-Stephenson-MS-260 LM (8oz) Spray Technical Datasheet

Product Description

8 oz Pump Spray Bottle

Streak-free, Residue Free Water-based formula, Ultra-low odor, Convenience of an Aerosol.

Miller-Stephenson's MS-260 LM Glass Cleaner is a high-quality cleaning solvent specially formulated non-streak cleaning of glass. Excellent for use on dials, gauges, and oscilloscopes. Contains no ammonia. No ODC (ozone-depleting chemicals). NSN 7930-01-064-5179 (Aerosol). Proprietary cleaning technology allows for quick cleaning and fast drying for a variety of operations. Foaming actions help to loosen contaminates and high cleaning solvents gently dissolve solids. Contains Professional strength cleaning agents and ultra-high purity solvents.

Miller-Stephenson MS-260 LM Glass Cleaner is for industrial use only and is not recommended for consumer applications.

Features and Benefits

Excellent for use on dials, gauges, and oscilloscopes Contains no ammonia 100% Non-flammable No ODC (ozone-depleting chemicals)
Commodity Code: 34029010

SKU: FA-MS260M0200

Product Description
8 oz Pump Spray Bottle
Streak-free, Residue Free Water-based formula, Ultra-low odor, Convenience of an Aerosol.
Miller-Stephenson's MS-260 Glass Cleaner is a high-quality cleaning solvent specially formulated non-streak cleaning of glass. Excellent for use on dials, gauges, and oscilloscopes. Also recommended for aircraft windshields. Contains no ammonia. No ODC (ozone-depleting chemicals). NSN 7930-01-064-5179 (Aerosol). Proprietary cleaning technology allows for quick cleaning and fast drying for a variety of operations. Foaming actions help to loosen contaminates and high cleaning solvents gently dissolve solids. Contains Professional strength cleaning agents and ultra high purity solvents.
Miller-Stephenson MS-260 Glass Cleaner is for industrial use only and is not recommended for consumer applications.

Features and Benefits
Excellent for use on dials, gauges, and oscilloscopes Recommended for aircraft windshields Contains no ammonia 100% Nonflammable No ODC (ozone depleting chemicals)
