

## Lotoxane 500ml Spray Technical Datasheet

---

### Product Description

NON FLAMMABLE

500ml Spray Bottle

#### Accreditations & Registrations

Lockheed STM32-307, Group 1,3,4,5 & 6 Rolls Royce CSS255 Type A,B,D Rolls Royce OMAT 1/257G Airbus CML ABR 9-0140 Airbus AIPI 09-01-002 (Non-aqueous cleaning agents) Boeing D6-17487 Revision L South African Airways Rail Cat Approval 007/025034 (20ltr) MIL PRF 680c Type II BAE R10 6026 (cleaning – cold solvent – general purpose) BAE R10-6027 (cleaning – cold solvent – critical applications)  
Manufacturers part number – C04320XAM-A

Lotoxane is a highly refined solvent blend offering a combination of low odour excellent degreasing power and minimal residue on drying. Due to its high purity Lotoxane provides a safer alternative to the most hazardous solvents used throughout Industry, it is not classified as flammable, and controlled evaporation reduces exposure in the workplace.

#### Advantages

Removes residues of oils, greases and machine coolant from machined parts, castings, panels and electrical/electronic components Refined formulation will not damage sensitive equipment or components Contains no aromatic hydrocarbons and is not classified as flammable, flash point 62°C Designed to provide a versatile degreasing solution for all manufacturing, maintenance, inspection and surface preparation needs Widely approved for sensitive aerospace applications Virtually odourless

**Commodity Code:** 27102221

**SKU:** FA-C04320XAM-A-500ML

### Product Description

NON FLAMMABLE

Lotoxane is a highly refined solvent blend offering a combination of low odour excellent degreasing power and minimal residue on drying. Due to its high purity Lotoxane provides a safer alternative to the most hazardous solvents used throughout Industry, it is not classified as flammable, and controlled evaporation reduces exposure in the workplace.

#### Core Benefits

Removes residues of oils, greases and machine coolant from machined parts, castings, panels and electrical/electronic components Refined formulation will not damage sensitive equipment or components Contains no aromatic hydrocarbons and is not classified as flammable, flash point 62°C Designed to provide a versatile degreasing solution for all manufacturing, maintenance, inspection and surface preparation needs Widely approved for sensitive aerospace applications Virtually odourless

#### Accreditations & Registrations

Lockheed STM32-307, Group 1,3,4,5 & 6 Rolls Royce CSS255 Type A,B,D Rolls Royce OMAT 1/257G Airbus CML ABR 9-0140  
Airbus AIPI 09-01-002 (Non aqueous cleaning agents) Boeing D6-17487 Revision L South African Airways Rail Cat Approval  
007/025034 (20ltr) MIL PRF 680c Type II BAE R10 6026 (cleaning – cold solvent – general purpose) BAE R10-6027 (cleaning –  
cold solvent – critical applications)  
Manufacturers part number – C04320XAM-A

#### Limitations

Not suitable for vapour degreasing. For heavier duty applications consider Lotoxane HD or Fastklean. When faster evaporation is required consider Lotoxane Fast, Lotoxane XF or Lotoxane Triple F.
