Nuvite Extractor (1QT)
Technical Datasheet

Product Description

Extractor is a professional grade soil extraction cleaning fluid. Extractor has deep cleaning action for both carpeting and heavy upholstery fabrics while minimizing machine foaming in rinse tank. The formulation includes color brighteners and a mild, fresh aroma without heavy perfumes. Additionally, Nuvite Extractor helps keep your extraction equipment clean and makes cleanup easy. When you meet those tough cleaning needs in industrial and commercial buildings, or in aircraft, RV, marine, auto and truck applications, you can't do better than Nuvite Extractor.

Also works great with the popular small extraction machines and scrubbers for home upkeep use.

Application.

Carpet Machine Cleaning: Follow instructions on machine, using 2 to 4 ounces of Extractor per gallon of water or 60 to 120 ml per liter of water. Test effect on lightweight upholstery fabrics with diluted Extractor prior to use.

Benefits.

• Penetrates ground in dirt and organics with deep cleaning action

• Contains color brighteners and mild aroma

• Conforms to airframe OEM standards and specifications

This is a non stock product. Deliveries have a lead time of 4 weeks.

Part Number: PC-2214

Sold in 1 US gallon containers and 1 QT conatiners.

PLEASE NOTE, 2 – 4 WEEK LEAD TIME ON BACKORDERS

Commodity Code: 3402909000

SKU: FA-PC-2214-QT

Approvals:

- Boeing D6-17487
- FAR 25.853

Product Description.
Extractor is a concentrated, professional grade soil extraction cleaning fluid for use with carpet extractor machines. Extractor has deep cleaning action for both carpeting and heavy upholstery fabrics while minimizing machine foaming in rinse tank.

Core Benefits.
• Penetrates ground in dirt and organics with deep cleaning action
• Contains colour brighteners and mild aroma

• Conforms to airframe OEM standards and specifications
• Low foam formula reduces foaming in the water circulation tank

Directions for use.
Carpet Machine Cleaning:
Follow instructions on machine, using 20 to 30 ml Extractor per litre of water. Test effect on lightweight upholstery fabrics with diluted Extractor prior to use. For best results, please consult with Frasers Aerospace technical staff for further recommendations, and application techniques. Do not allow carpet backing to be soaked.

Safety & storage.
Full guidance on the handling and disposal of this product is provided in a separate Safety Data Sheet (SDS). Only for professional users/specialists. Store in original closed containers away from extremes of temperature.
