Alglas Visial ALG/CR215 Visial Antistatic Wipe Technical Datasheet

Product Description

Visial, ALG/CR215 offers exceptional antistatic cleaning on all integrated and stand-alone instrumentation, including flight deck avionics, head-up displays, night vision goggles, radar and electronic touch panels.

With frequent use, sweat and grime builds up, resulting in poor picture quality and reduced performance. Visial ensures a smear-free finish on a wide range of glass, acrylic and polycarbonate materials, whether active-matrix liquid-crystal panels or analogue instruments.

Visial, ALG/CR215 is effective across a wide range of glass, acrylic and polycarbonate surfaces and removes sweat and grime build-up to restore picture quality and performance. Laboratory tests show one application of Visial ALG/CR215 reduces static by up to 90%.

Manufacturers website: www.alglas.com

Commodity Code: 3405909000

SKU: FA-ALG-CR215-X50

Approvals:

NATO stock number 7920-99-770-7590

Features

- Excellent antistatic properties
- Environmentally friendly and biodegradable
- Simple for crew/staff to use and easily portable
- Cost-effective
- Non-hazardous, non-toxic, non-craze, non-scratch, non-fog
- One-stop instrumentation cleaning solution
- Long shelf life

Product Description
Visial, ALG/CR215 offers exceptional antistatic cleaning on all integrated and stand-alone instrumentation, including flight deck avionics, head-up displays, night vision goggles, radar and electronic touch panels.
With frequent use, sweat and grime builds up, resulting in poor picture quality and reduced performance. Visial ensures a smearfree finish on a wide range of glass, acrylic and polycarbonate materials, whether active-matrix liquid-crystal panels or analogue instruments.

NATO stock number:
7920-99-770-7590

Features
Major aerospace industry approvals, including by the FAA, Boeing and Airbus
Excellent antistatic properties
Environmentally friendly and biodegradable
A prime product to use as part of the aircraft instrument repair process
Simple for crew/staff to use and easily portable
Cost-effective
Non-hazardous, non-toxic, non-craze, non-scratch, non-fog
One-stop instrumentation cleaning solution
Long shelf life
