VersaTool VT520 Dual Head Random Orbital Cordless (Battery) Polisher [Tool Only] Technical Datasheet

Product Description

VersaTool™ 20V Cordless Dual-Head Polisher

Professional Performance. Cordless Freedom. Total Control.

The VersaTool™ brings proven dual-orbit polishing technology into a new cordless generation. Its synchronized rotating heads delivers smooth, balanced results with precision and control. Engineered for professionals who demand performance and versatility, VersaTool combines power, balance, and durability in one rugged cordless platform.

NOTE:

We do not stock the batteries for this tool – this is to avoid the high DG shipping charges that lithium batteries incur.

The recommended Makita batteries and chargers are available internationally and can easily be sourced in your local area. They are fully compatible with the VersaTool VT520:

Makita BL1850B 18v 5.0ah LXT Li-ion – Battery Makita 18v Battery 5.5Ah Battery and DC18RC – Charger
These can be ordered from your local tool supplier or on Amazon.

Use of Makita batteries and chargers will not affect the warranty of the tool.

Commodity Code: 8467290000

SKU: FA-VT520

Features

- No swirl marks or holograms.
- Reduces labour by up to 50% when compared to rotary polishers.
- Light weight.
- **Battery Powered**
- **Brushless Motor**

VersaTool™ 20V Cordless Dual-Head Polisher

Professional Performance. Cordless Freedom. Total Control.
The VersaTool™ brings proven dual-orbit polishing technology into a new cordless generation. Its synchronized rotating heads delivers smooth, balanced results with precision and control. Engineered for professionals who demand performance and versatility, VersaTool combines power, balance, and durability in one rugged cordless platform.
Engineered for Results
Driven by a high-efficiency 20V brushless motor, VersaTool™ maintains consistent torque and speed under demanding conditions. Precision-machined alloy gears ensure long-lasting reliability and quiet operation. The dual-orbit motion creates uniform coverage, eliminating swirl marks while providing the smooth, controlled action needed for a perfect finish.

Five variable speed settings allow you to tailor output for everything from deep scrubbing to high-gloss polishing. And with its triggerless control system, VersaTool™ delivers continuous, fatigue-free performance during extended use.

VersaTool™ adapts to virtually any surface or cleaning challenge. Simply match the pad or brush to your task

Key Features
20V Cordless Power – High-capacity lithium performance without cords.

Dual-Head Orbiting Action – Smooth, balanced results with zero swirl marks.

Brushless Motor – Maximum efficiency and durability.

Precision Alloy Gears – Built to withstand daily professional use.

5-Speed Electronic Control – Adjust speed for cleaning, scrubbing, or polishing.

Triggerless Operation – Consistent performance, reduced operator fatigue.

Industry Versatility – Automotive, marine, RV, carpet, and facility maintenance.
