Made from a premium foam blend for even pressure distribution. Removes swirl marks, oxidation, and surface imperfections.

Designed for use with the Versatool VT520

Commodity Code: 3926909790

SKU: FA-D442

Product Description
The green foam pad in the middle of our foam range and is the best all-use polishing, de-oxidizing pad we have; it can even be used for final buffing. If you could have only one pad for your Cyclo tool, this would be it. Excellent for use with all-in-one (one-pass) cleaner polishing sealants. Only Genuine Cyclo pads have been designed to work precisely with Cyclo Toolmakers' polishers. The green 72-120 pad is the mid-range of the six foam pads offered by Cyclo Toolmakers. Each foam pad is 4 inches in diameter and made from high quality, reticulated (open cell) polyester foam. They are exceptionally durable and long lasting and provide top performance. Recommended chemicals for painted surfaces are Cyclo Toolmakers 84-246 CTI 1 pass express, 84-146 CTI Polish and Swirl Remover. Recommended chemicals for metal surfaces are Cyclo Toolmakers 84-346 CTI free flite protective sealant. Cleans up best with 84-404 CTI pad care – pad cleaner.

About this item
The must have foam pad for swirl removal and polishing in your detail work
Use for deoxidizing, light and medium polishing, all-in-one chemicals, metal sealant
Use on paint, metal, fiberglass, gelcoat, glass, acrylic surfaces and more
