AFF Aerotex Rymplecloth
Technical Datasheet

Product Description

Previously called Rymplecloth #301

American Fibre and Finishing Rymplecloth® is a purified, 3-ply, 100% cotton woven fabric wiping cloth with a unique crimped finish and firmly twisted yarns, providing more surface area for collecting and trapping dirt particles. Rymplecloth® is one of the most durable products available for cleaning, polishing and critical surface preparation in tightly controlled industries such as Aerospace and Composites.

Applications include: Critical cleaning and surface preparation (e.g. composite bonding, mold preparation & cleaning/application of release agents, sealing transparencies, sealing rivets in integral fuel cells). Also, cleaning and polishing in all industries, such as transparencies, head-up displays, automotive and marine.

Rymplecloth's crimpled fibers magnified.

Commodity Code: 63071090

SKU: FA-791255-X1

Approvals:

- AMS 3819D, Class 1, Grade A, Form 1 (Previously known as BMS15-5G)
- RIMS 103 Grade A, Class A, Type 1
- Boeing HMS15-1216
- NATO NSN 7920226382458
- Lockheed Martin & JSF

Features

- Meets and exceeds AMS 3819
- Compatible with all cleaning liquids and solvents
- No contamination from chemicals as found in non-woven wipers
- No contamination from foreign matter as found in rags
- Rolls are pre-cut into 10? x 27? squares (100 squares per roll) to reduce wastage
- Silicone free
- Extremely low-lint
- ECO-friendly (bio-degradable and free of ozone depleting agents)
- PLEASE NOTE, BMS 15-5 has been superceeded by AMS-3819

Product Description
American Fibre and Finishing Rymplecloth® is a purified, 3-ply, 100% cotton woven fabric wiping cloth with a unique crimped finish and firmly twisted yarns, providing more surface area for collecting and trapping dirt particles. (Previously called Rymplecloth #301) Rymplecloth® is one of the most durable products available for cleaning, polishing and critical surface preparation in tightly controlled industries such as Aerospace and Composites. PLEASE NOTE, BMS 15-5 has been superceeded by AMS-3819

#1 in Aerospace
Rymplecloth® is the number one product of choice in aerospace industry paint prep departments, and industry leader Boeing’s wiping product of choice for over 50 years running.

Protecting the Environment
Rymplecloth® wiping cloths are:
• 100% cotton
• Purified or scoured
• Biodegradable
• Silicone-free
• Chlorine-free
