

Scrub Pads for Nuvite Applicator Head Technical Datasheet

Product Description

9? Scrub pads for external aircraft cleaning using NuPower II.

Scrub pad for use when dry washing aircraft fuselage. Attaches to all extendable poles for easy reach. Ideally suited for use with Nuvite NuPower II. For any of Nuvite's wetwashes, degreasers or drywash/polish, this is the perfect application tool! This white, spun-fiber pad is non-abrasive (on aircraft), and works great for applying soap solutions or polish material onto surface economically and easily. Provides the "just right" agitation needed to loosen normal surface dirt, grease and oils, but will not damage paint, glass, acrylic or metal surfaces. Fits on Nuvite EQ-122 9" hook and loop attachment swivel head.

Price per pack of 10 pads.

Commodity Code: 5603141000

SKU: FA-5525
