# LEATHER REFINISHING, REPAIR AND MAINTENANCE

## Deep Cleaner for Leather

Specifically formulated to dig out heavy-duty soils and stains from finished leather. Removes glossy build-up from body oils, soils and dirt. Well balanced to effectively remove soils and dirt. Effectively cleans without harming the topcoat system of finished leather. Leaves leather looking and feeling new. Also great on vinyl, rubber and other synthetic surfaces.

- 12 x 32 oz. ....#DC-332
- 6 x 1 gal. ....#DC-328
- 5 gal. ....#DC-305
- 55 gal. ....#DC-355
- 10 x 45 ct. wipes .....#DW-145

## Leather Conditioner

Premium cream formula fortified with UV, features a delicate blend of conditioners and protectants. Leather Conditioner rejuvenates leather to look and feel like new again. UV sunscreen helps to protect finished leather from the damaging effects of the sun.

- 6 x 1 gal. ....#CN-228
- 5 gal. ....#CN-205
- 55 gal. ....#CN-255

BEFORE AFTER

FAA/EASA Part 145 Repair Station #V1VR130X

## Repair & Refinishing

Find value in damaged leather dress covers with Perrone's innovative process. Dress cover repair can be done quickly and cost-effectively versus replacement. This process solves damages on high wear areas, ink stains, gum and rub-through of the existing finish system. All finished parts are sent with FAA Form 8130 Return To Service.

## Ink Remover

This product will effectively remove or improve ink stains from finished leather. Removes lipstick and other stains as well. Will not harm the finish system of the leather.

- 16 x 2 oz. ....#IR-202
- 6 x 1 gal. ....#IR-228
- 5 gal. ....#IR-205

## Leather Cleaning Brushes

Specifically designed for leather cleaning, Perrone's Leather Cleaning Brushes dig out tough soils and stains from the pores of natural and corrected grained leather. For best results use in conjunction with Perrone's cleaning products. Or use Dry for Suede and Nubuck.

- 6" handle w/ 1.5" bristle bed.....#BR-01
- Sturdy wood block w/ 3.5" x 2" bristle bed..#BR-02

## Leather Cleaning Kit

Convenient kit, for the "on-the-go" users, that is quick and easy.

**Standard Kit** includes (1) 6 oz. bottle of Leather Cleaner, (1) 6 oz. bottle of Leather Conditioner, a 16"x16" Microfiber Cleaning Cloth for Leather. **Deluxe Kit** Includes same contents of the standard kit, plus #BR-01, Small Horse Hair Brush. **Premier Kit** Includes same contents of the standard kit, plus #BR-02, Large Horse Hair Brush.

- Standard Kit .....#KT-305
- Deluxe Kit .....#KT-310
- Premier Kit .....#KT-315

## Microfiber Cleaning Cloth for Leather

Oversized 16" x 16" Microfiber Cleaning Cloth for Leather. Specialized ultra soft cloth can be used for wiping leather free of dust and dirt with or without the use of chemicals. Machine washable for multiple uses.

- 1 ea. ....#MF-01

## Leather Cleaner with Conditioner

This unique formula is custom blended to clean and rejuvenate fine leather surfaces. Also provides a protective barrier, when used regularly, that helps prevent soiling from stains such as dirt, grease, ink and body oils.

- 12 x 32 oz. ....#CC-332
- 6 x 1 gal. ....#CC-328
- 5 gal. ....#CC-305
- 55 gal. ....#CC-3
- 10 x 45 ct. wipes .....#SW-145

## NEW IDEAS IN LEATHER & REPAIR

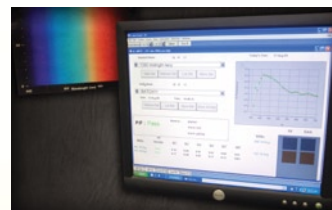

### Professional Deep Cleaning

Our proprietary deep cleaning process will effectively remove saturated body oils, dirt, grease and other soils safely and effectively from leather.

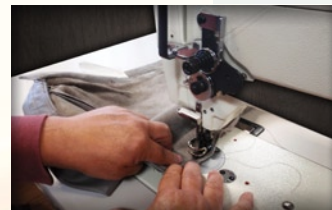

### Ink, Gum & Stain Removal

Stains that have permeated into the finish system of your leather dress covers will be effectively treated and removed prior to the repair and refinishing process.

### Professional Color Matching

Professional color-matching of master swatch and refinish of existing color coat.

### Sewing Capabilities

- Velcro® and snap replacement
- Thread removal and replacement
- Leather panel replacement

### Inventory Management Program

- Check in all shipments by part number
- Determine disposition of leather dress covers based on customer criteria (accepted, rejected, scrapped)
- Place parts into inventory and warehoused in secure, climate controlled environment
- Provide on demand reports of on-hand inventory
- Provide on demand reports of rejected parts, based on customer criteria

## Customized Cleaning & Care Programs

Perrone's knowledgeable consultation staff will put together a customized cleaning and maintenance program based on your budget, frequency of cleaning, fleet size and service life needs.

## Leather Cleaning & Care Products

With our years of experience in the aerospace leather manufacturing business, we have formulated the industry's most innovative formulas for leather cleaning and care. These formulas are tested to meet the rigorous requirements of the aerospace industry, while maintaining optimum performance.

## Certifications

Our line of leather cleaning and care items are OEM approved, show no adverse affects on the flammability rating of FAA burn certified leather and meet or exceed the Boeing Interior Specification D6-7127.

## Training

Perrone offers both in-house and onsite training on the proper cleaning and care techniques for your specific needs. Our technicians are experienced in training your management team as well as your internal or contracted cleaning staff.
