

VersaTool™ VT520 Tool Only
20V Cordless Dual-Head Polisher

Frasers Aerospace supply the tool only, we do not supply the batteries or chargers. Batteries are classed as DG to ship and incur additional shipping costs. The manufacturer recommends using standard Makita batteries and chargers which are available locally all over the world.

Makita BL1850B Battery, 18v, 5Ah

**Makita DC18SD, 18v Li-ion LXT Charger,
14.4v / 18v, 2.6 Amps, 18Volts**

The standard warranty from the manufacturer will be honoured provided genuine Makita batteries and chargers are used.
